

A COMMUNITY OF
exceptional care

Evergreen Terrace provides private and semi-private rooms with skilled nursing care 24 hours a day, 7 days a week. We provide short and long-term care. Our transitional, Short-Term Rehab Center is geared to provide care after surgery, wound care including wound vacs, IV antibiotics, respite care, and end of life care with the goal of returning residents home as quickly as possible.

“Evergreen Terrace is a place where the care and comfort of our residents is our priority. We provide services in a warm, friendly and compassionate atmosphere.”
